

## Sponsor a Woman in Uganda

Help empower women in Uganda who are suffering from poverty, disease & low self-worth to become self-sufficient with businesses of their own. In societies where women are so devalued we want them to know that God cherishes them. Sponsoring a woman empowers her to care for herself and her children.

Your monthly tax-deductible gift of \$36 (or \$432 for the year) will put her on the road to owning her own business. Once enrolled, she attends weekly Biblical business classes. She learns business management and budgeting along with moral and ethical business practices. A mentor comes alongside her to ensure she accomplishes her goals.

Sponsors can purchase sewing machines, cows, chickens, piglets and goats to boost her businesses of which some are included below:

- o Raising & selling turkeys, goats, pigs, and chickens
- o Clothing design & tailoring
- o Selling fruits & vegetables
- o Selling baked goods & cooked food
- o Buying & selling clothing & shoes
- o Retail shop selling assorted household items such as vegetable oil, eggs, charcoal. . .
- o Raising & selling various crops.

Since we started our Women in Business Sponsorship program in 2008 over 1500 women have completed the program with a 95% success rate.
