OUR PILLARS OF HOPE

Dress a Girl Around the World delivers dresses and hope to girls in need and who are at risk around the world. In receiving "God's best dress," not only are these girls being gifted what could be their first ever new dress, they're also receiving our 4 Pillars of Hope: Dignity, Health, Joy and Love.

Dignity
Our goal is to restore a sense of worth to from extreme vulnerable girls suffering poverty. Being given a beautiful new dress and being told it was made just for her by someone who loves her and prays for her can give her a new feeling of self-worth and dignity.

Health
We provide education in basic health and hygiene practices which leads to better health for the girls and their communities.

Joy
Imagine a little girl being given a brand new, beautifully made dress – made just for her and being celebrated like a princess. She twirls around in joy and smiles. For most of these girls, this is a new exhilarating experience.

Love
As a Christian organization, the foundation of everything we do is to show the love of Jesus. Our hope is that once the people we help experience God's love, they will pass it on in their communities.

ABOUT US

In 2009, Dress a Girl Around the World started when founder Rachel Eggum Cinader, needed a project for the Hope 4 Women International's tailoring program in Uganda. She remembered a pillowcase dress pattern she had been given and took it with her on her trip. Rachel and her sister Joan taught women at Smile Africa to make the dresses. A month later, Pastor Ruth, the program's director sent pictures of the Karamojong girls wearing the dresses the women had made. Seeing the girls smiling faces in their beautiful new dresses inspired people to inquire about making dresses. 50 dresses were then sent to Honduras and those photos of girls beaming with pride got everyone hooked!

Hope 4 women International helps empower women who are suffering from poverty, disease, and low self worth to become self-sufficient with businesses of their own. In societies where women are so devalued we want them to know that God cherishes them. By responding to critical needs, we can significantly impact lives and assist women who are struggling to survive in destitute communities in Uganda.

Go around the world with us as we hand-deliver dresses to girls in need and at risk and show them that they are loved. A financial gift enables us to ship dresses to groups who will hand-carry them to other countries.

You can contact an ambassador in your area or contact Jordan Witham directly at Jordan@h4wi.org to find ways to get involved or learn about opportunities to volunteer & upcoming events. If you would like to help this program continue to reach girls around the world you can send a tax-deductible financial gift to: Hope 4 Women International P.O. Box 14, Forest City, IA 50436.

Join us on a Hope 4 Kids International mission trip as we distribute dresses to little girls. Volunteer teams not only make an incredible difference in the lives of deserving girls, but teams also indulge in the rich culture of the country they are serving in.
